## New directories available in July

Your 2018/2019 Egyptian Telephone book will be delivered in July. Please take the time to become familiar with the book's contents and offerings. Your directory is filled with valuable information. Whether you are searching for

special service offerings, and much more, your phone book is designed to meet all your needs.

Advertisers in the Yellow Pages help make Egyptian's phone book an extremely useful tool for you. Yellow Pages save you time and money by letting you enjoy the convenience of shopping at home. Remember that advertisers add to the phone book's success. Please support your local merchants and let them know you found them in the Yellow Pages.

## Unwanted Telemarketing Calls

Illinois law protects residents from certain unwanted telemarketing calls. For more information about the Restricted Call Registry and how to enroll, visit [www.fcc.gov/cgb/donotcall](http://www.fcc.gov/cgb/donotcall).

## Telephone Assistance

Eligible low-income households can receive financial help with the cost of phone installation and basic local phone service. The federal program's monthly discount is \$9.25 off the cost of basic local phone service.

## Don't be fooled by Caller ID Spoofing

One way to avoid phone scams has traditionally been to not answer calls from numbers that you do not recognize on your Caller ID. But crooks have a sneaky way around this. With Caller ID spoofing, they are sure to make it appear as if their callers are coming from a local phone number. Since the numbers seem like ones that you are familiar with, you are more likely to pick up.

The goal of this scam is to get you to reveal personal information such as account numbers, passwords, and social security numbers. So remember to never give out account numbers or personal information unless you initiate the call.
