Egyptian's 71st Annual Meeting

Egyptian Telephone Cooperative Association's 71st Annual Meeting of members was held Friday, August 8 at the American Legion in Steelville. Members enjoyed pulled pork with all the fixings served by Sauced Up Smokers. Attendance gifts were given to all members present; the first 50 members to arrive also received an early bird gift.

The meeting was called to order by Director David Ibendahl. Director Jonathan Krause delivered the invocation, and Director Curtis Wolf led the Pledge of Allegiance.

Attorney Ron Arbeiter presented a report from the Credential Committee. Greg Alfeldt gave the official notice of the meeting, and members voted to approve last year's minutes.

Arbeiter resumed the podium to discuss the Nominating Committee meeting held June 5. Ibendahl and Krause were both nominated to continue representing their respective districts, and the membership reelected each of them to new terms.

Alfeldt then gave the Treasurer's Report, informing members that the cooperative was in good financial standing. Matthew Bollinger then presented the Manager's Report, which focused on navigating the future. He also informed members of the cooperative's progress regarding fiber projects.

The meeting was adjourned, and 71 prizes were given to members attending the meeting.

Illinois Digital Divide Elimination Fund

Members wishing to participate in the "Program to Foster the Elimination of the Digital Divide" may do so by electing to contribute a fixed amount on a monthly basis. A fixed amount of \$.50, \$1, \$2, \$5, \$10, or \$25 will be included in member's monthly billing. The member may cease contributing at any time upon providing notice to Egyptian Telephone. Any contributions made will not reduce the members' bill for telecommunication services. All funds received are forwarded on your behalf to the "Program to Foster the Elimination of the Digital Divide" in Springfield, IL. Please contact Egyptian Telephone Cooperative's business office at 618-774-1000.

Switch to Ebilling

Are you still receiving your Egyptian bill in the mail and paying it by writing a check? If so, consider switching to ebilling and handling bill paying electronically instead. It will save you time and money.

Call Us Before Doing Home Renovations

Are you going to install new siding or add an addition to your home? If so, talk to Egyptian during the planning process. This is important because we'll need to visit your home and remove our communications equipment before construction begins.

Think of it this way: You call 811 before you dig so you don't damage underground utility lines. Similarly, you need to contact us before starting a home renovation project to help protect our equipment on your property.
